Application No. 09/328,417) **DECISION ON REQUEST FOR**
Filed: June 9, 1999) **WITHDRAWAL AS ATTORNEY**
For: POSTAL OUTGOING AND REPLY)
ENVELOPE FORM SYSTEM)

This is a decision on the Request To Withdraw from Representation filed November 15, 2000.

A grantable request to withdraw as attorney of record should indicate thereon the present mailing addresses of the attorney(s) who is/are withdrawing from the record and of the applicant. The request for withdrawal must be signed by every attorney seeking to withdraw or contain a clear indication that one attorney is signing on behalf of another/others. A request to withdraw will not be approved unless at least 30 (thirty) days would remain between the date of approval and the later of the expiration date of a time to file a response or the expiration date of the maximum time period which can be extended under 37 C.F.R. § 1.136(a). The effective date of withdrawal being the date of decision and not the date of request. See M.P.E.P. § 402.06. 37 C.F.R. § 1.36 further requires that the applicant or patent owner be notified of the withdrawal of the attorney or agent.

The request is deficient in the following aspects: (1) the United States Patent and Trademark Office (Office) does not recognize firms - each attorney for whom withdrawal is requested must be individually listed; (2) there is no statement that Mr. Cage is *authorized* to sign on behalf of the other listed attorneys. Therefore, the request is **DENIED**.

All future communications from the Office will continue to be directed to the above-listed address until otherwise notified by applicant. Applicant is reminded of the obligation to promptly notify the Office of any change in correspondence address to ensure receipt of all communications from the Office.
